SB-FY-14-06-016

RECOMMENDATION

A Pre-Hearing Conference was held on June 23, 2014. At that time, the School Board indicated that it would be filing a Motion to Dismiss. The Pre-Hearing Order specifically ordered that the Motion shall be post-marked no later than July 9, 2014, and that the Parent's Objection should be made no later than July 21, 2014. The School board filed a Motion to Dismiss, the original, which is attached, dated July 9, 2014. As of July 31, 2014, the Parent has not filed an Objection to the Motion to Dismiss. Accordingly, the undersigned recommends that the State Board of Education grant the Motion to Dismiss as a result of the Parent's failure to file an Objection thereto.

Dated: July 31, 2014
